1 disabled toilet with toilet at 43cm high; two vertical support rails to the right as seated of the toilet; one small hand basin with two push taps; soap dispenser above; one large soil bin and one automated hot air hand drier.

Conservatory Restaurant & Gallery Restaurant

Conservatory Restaurant is counter service. The shelf that holds the trays as customers work their way through the restaurant is at 87cm height.

The restaurant is accessible from the Gift and Wine Shop or the corridor leading from the reception area and toilets. There is wheelchair access from both areas and Served staffs are clearly distinguishable in white shirts, blue Denbies aprons, name badges and are available to take trays of food and drink to tables for customers as and when required

Table service can be offered where needed

Menu options are displayed on chalk boards with overhead picture lighting directed onto them.

The restaurant has a high, pointed glass conservatory style roof providing vast amounts of natural light into the main seating area with tropical plants.

Chairs and tables are movable with central support table columns to enable wheelchairs to be positioned directly underneath and seating to accommodate larger groups.

There is background music which can be turned up or down on request
We are able to cater for vegetarians, gluten free, wheat free, dairy free, nut free and sugar free diets on request

The Gallery Restaurant is a fine dining restaurant and is accessible by the passenger lift from the ground floor reception area. It is plated service and all Denbies waiting staffs are distinguishable in uniforms and name badges and are on hand for assistance.

The floor of the restaurant is carpeted with a dining area up to a total amount of 60 seated.

Tables and chairs are movable and at a height to enable wheelchairs to be positioned directly under the table and to accommodate larger groups.

There is background music which can be turned up or down on request.

We are able to cater for vegetarians, gluten free, wheat free, dairy free, nut free and sugar free diets on request

The disabled toilet is accessible from the restaurant via the lift to the ground floor.

Attractions & Tours

Indoor Winery Tour and Tasting consists of a 360 degree cinema full colour presentation with commentary and music; Loop system available for commentary. Cinema can be accessed from reception area through two sets of double doors; through electronic opening double doors into large circular presentation area with level carpet flooring. Accommodates 40 people standing; four wheelchairs maximum (three available for use). Chairs are available for those that require seating and on request.

Once presentation is completed, customers leaving the cinema are walked through the winery where they get a full commentary to view the equipment used in today's wine production. The journey ends in the cellar and we recommend that customers phone prior to their visit particularly if in larger groups to ensure there are adequate resources to transfer up to 4 wheelchair users onto the people carrier and to ensure that all customers enjoy the wine tasting experience and that they are transferred to the wine cellar safely. For customers that are unable to walk through the winery for , the wine tasting and cellars can be accessed via the passenger lift from the ground floor reception area.

Floor of the wine cellar is quarry tile and is suitable for wheelchair users. Up to three wine tasting are included in the tour and is accompanied with tour guide commentary verbally and opportunities are available for customers to ask questions. Loop not available in the cellar. Tour runs for approximately 45 minutes and once finished, customers exit the wine cellar through one double door and via the passenger lift that takes them back to the main reception area to access all other areas of the visitors centre.

The Outdoor Vineyard Tour runs for approximately 45 minutes consists of a Land Rover with three carriages which accommodates for up to 20 people per carriage. The train, when ready for departure, is situated in its designated parking area to the left of the visitors centre; accessible from the main reception area level floor and through a single door once tickets have been purchased. The train can be alighted via a step up at a height of 48cm. The passenger lift at the rear of the carriage can transport wheelchairs singularly into the carriage enabling customers to be located in the train along with all passengers. The train moves slowly through the vineyard while providing a verbal commentary of the history of the vineyard, points of interest and finally up to the highest point of the vineyard with spectacular views onto Box Hill and the North Downs en route. Printed copies of the commentary are available on request and tour guides available to answer any questions customers might have. The train returns back through the same route but down through the vineyard to its final stop back at the visitors centre. Tour Guides are on hand to ensure all passengers including wheelchair users disembark from the train safely.

Art Gallery is situated on the first floor and is accessible from the main entrance via the passenger lift; onto 360 landing area of quarry tile floor and wall space allowing local artists to display paintings, photographs, sculptures; arts and crafts which change every two weeks. Spotlights throughout directed onto exhibits and first floor toilets accessible through double doors.

Performing Arts Library is situated within the visitors centre and accessible via double automatic double doors under the eaves and at ground level of the main entrance to the visitors centre. Please contact Peter Baxter (manager) for specific access details on 01306 887509

Grounds and Gardens

The visitors centre is surrounded by 265 acres of vineyard and spaces of open grass verge and flat areas for public access are available via the main routes in and out of the vineyard or via the main car park areas. Please note there are no picnic areas. All footpaths are clearly marked however, customers should be aware that Denbies is a working vineyard and winery therefore there will be workplace transport moving through the grounds and in and out of the vineyard vehicle park area located between the rear of the Garden Centre and the Denbies Accommodation.

Additional Information

All front facing staff has attended in-house be-spoke Welcome Host courses which included content from the Welcome All courses on dealing with less able customers and which was delivered by Tourism South East.
